

Ranks:

All ranks come with a Slack and Discord role. Higher ranks appear first.

At any point, the Owner and Co-Owner have the right to remove you from your ranking without notifying you.

**(--)** You can not apply for this rank.

**(--)** You can apply for this rank.

### Application

#### **Owner Current: Luger359**

The creator. The only time this rank will change is if the current owner steps down and the Co-Owner does not want to take ownership. In that case, an OG User will take their place and have all permissions below.

#### **Co-Owner Current: Camboss**

Second in line. They help the Owner make decisions, and will become the Owner if they step down. The only way to assume this rank is through promotion and have all permissions below.

#### **OG User: theshmunguss1, TheGremlin**

The originals. They are third in line, and have all permissions below.

#### **Product Owner**

The owner of a RamWorks product. Select "Owner" if applying for this role.

#### **Editor**

Editors put links and proxies on the doc and website.

#### **Moderator**

Moderators help keep things like our Slack server under control. They have administrator privileges on Slack and Discord. They have editor privileges on the docs.

### **Designer:**

Designers help stylize the docs and website. They have editor privileges on both.

### **Social Media Manager:**

The Social Media Manager will regulate everything that goes onto our social media pages. They greenlight all posts. A Social Media Manager will receive the login information to post.

### **Social Media Staff**

A Social Media Staff will devise things to post on social media. They must go through a Social Media Manager before posting anything.

### **Spy: [Redacted]**

Spies must use an alt account. Spies will infiltrate enemy docs and provide information. They take links, weaknesses, etc. and return them to Ram Networks confidentially. Spies have commenting privileges.

### **Helpful Human: Carter, Ravenchill, Grimx, Herobrine, All OG Glitchquake Admins**

This is for those who gave us helpful things without us asking.

### **Tutorial Master**

User that shows what happens at Ram Networks. Similar to a tour guide.

### **Veteran: theshmungussi**

A Veteran is a user that previously assumed a role of high authority, but stepped down for various reasons. Those high authority figures are: Tutorial Master, Helpful Human, Spy, Social Media Staff, Social Media Manager, Moderator, Editor, OG User, Co-Owner, Owner.

### **Default User**

The default role.

### **Rule-Breaker**

A user that has either broken the rules or violated the ToS. They are not banned.

### **Enemy**

A user that has been banned or exiled at any point. They are permanently banned from all assets of Ram Networks.

### **Arch-Enemy**

An Arch-Enemy is a lower form of an Enemy that has, at one point, attempted to come back or violate rules.
